4. Way forward

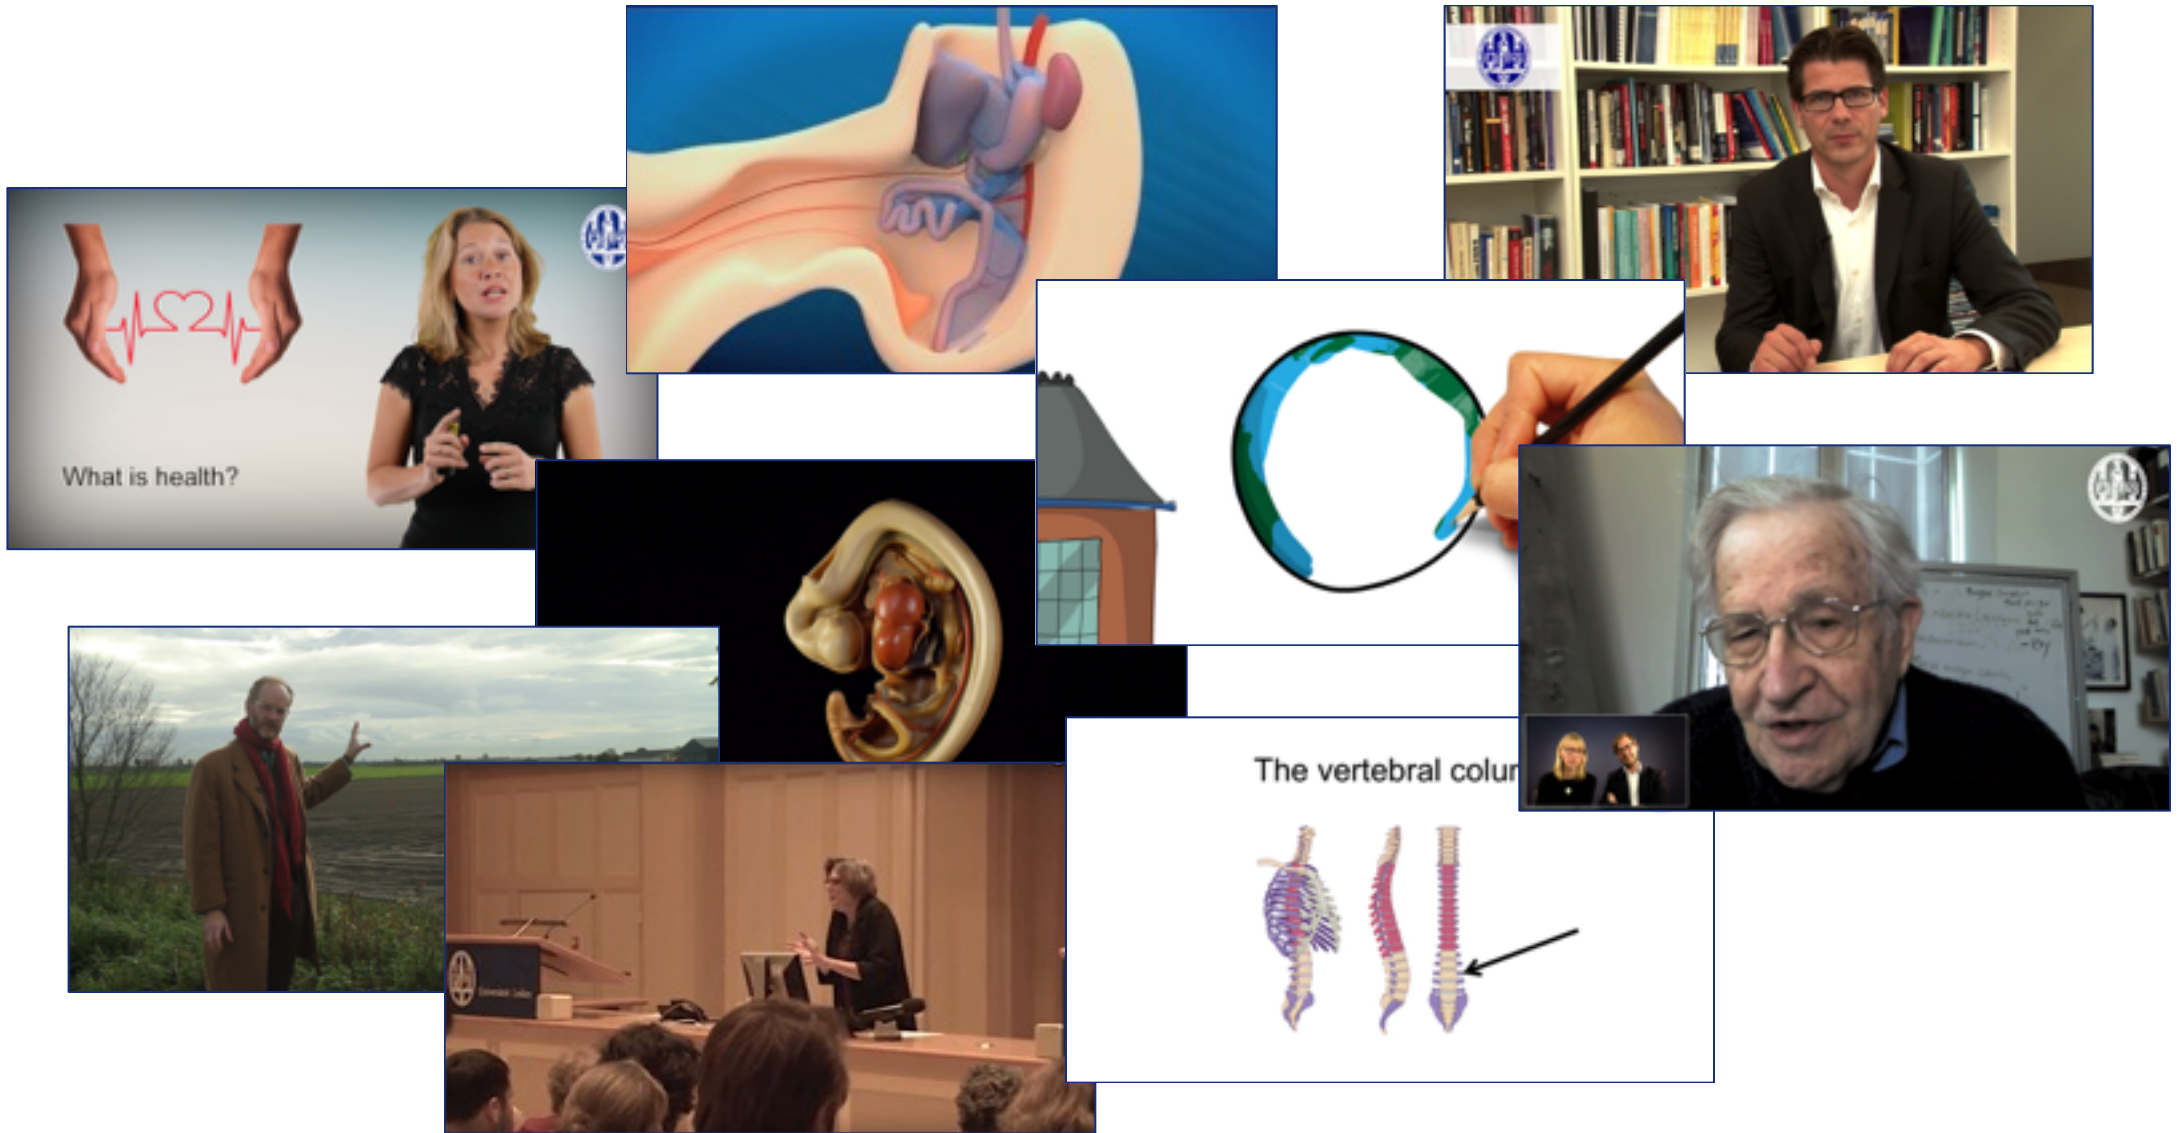

Introduction

Thomas Hurkxkens
Journalism documentaries

Video in Leiden

Storytelling

Show don't tell!

Media Training

Test Video

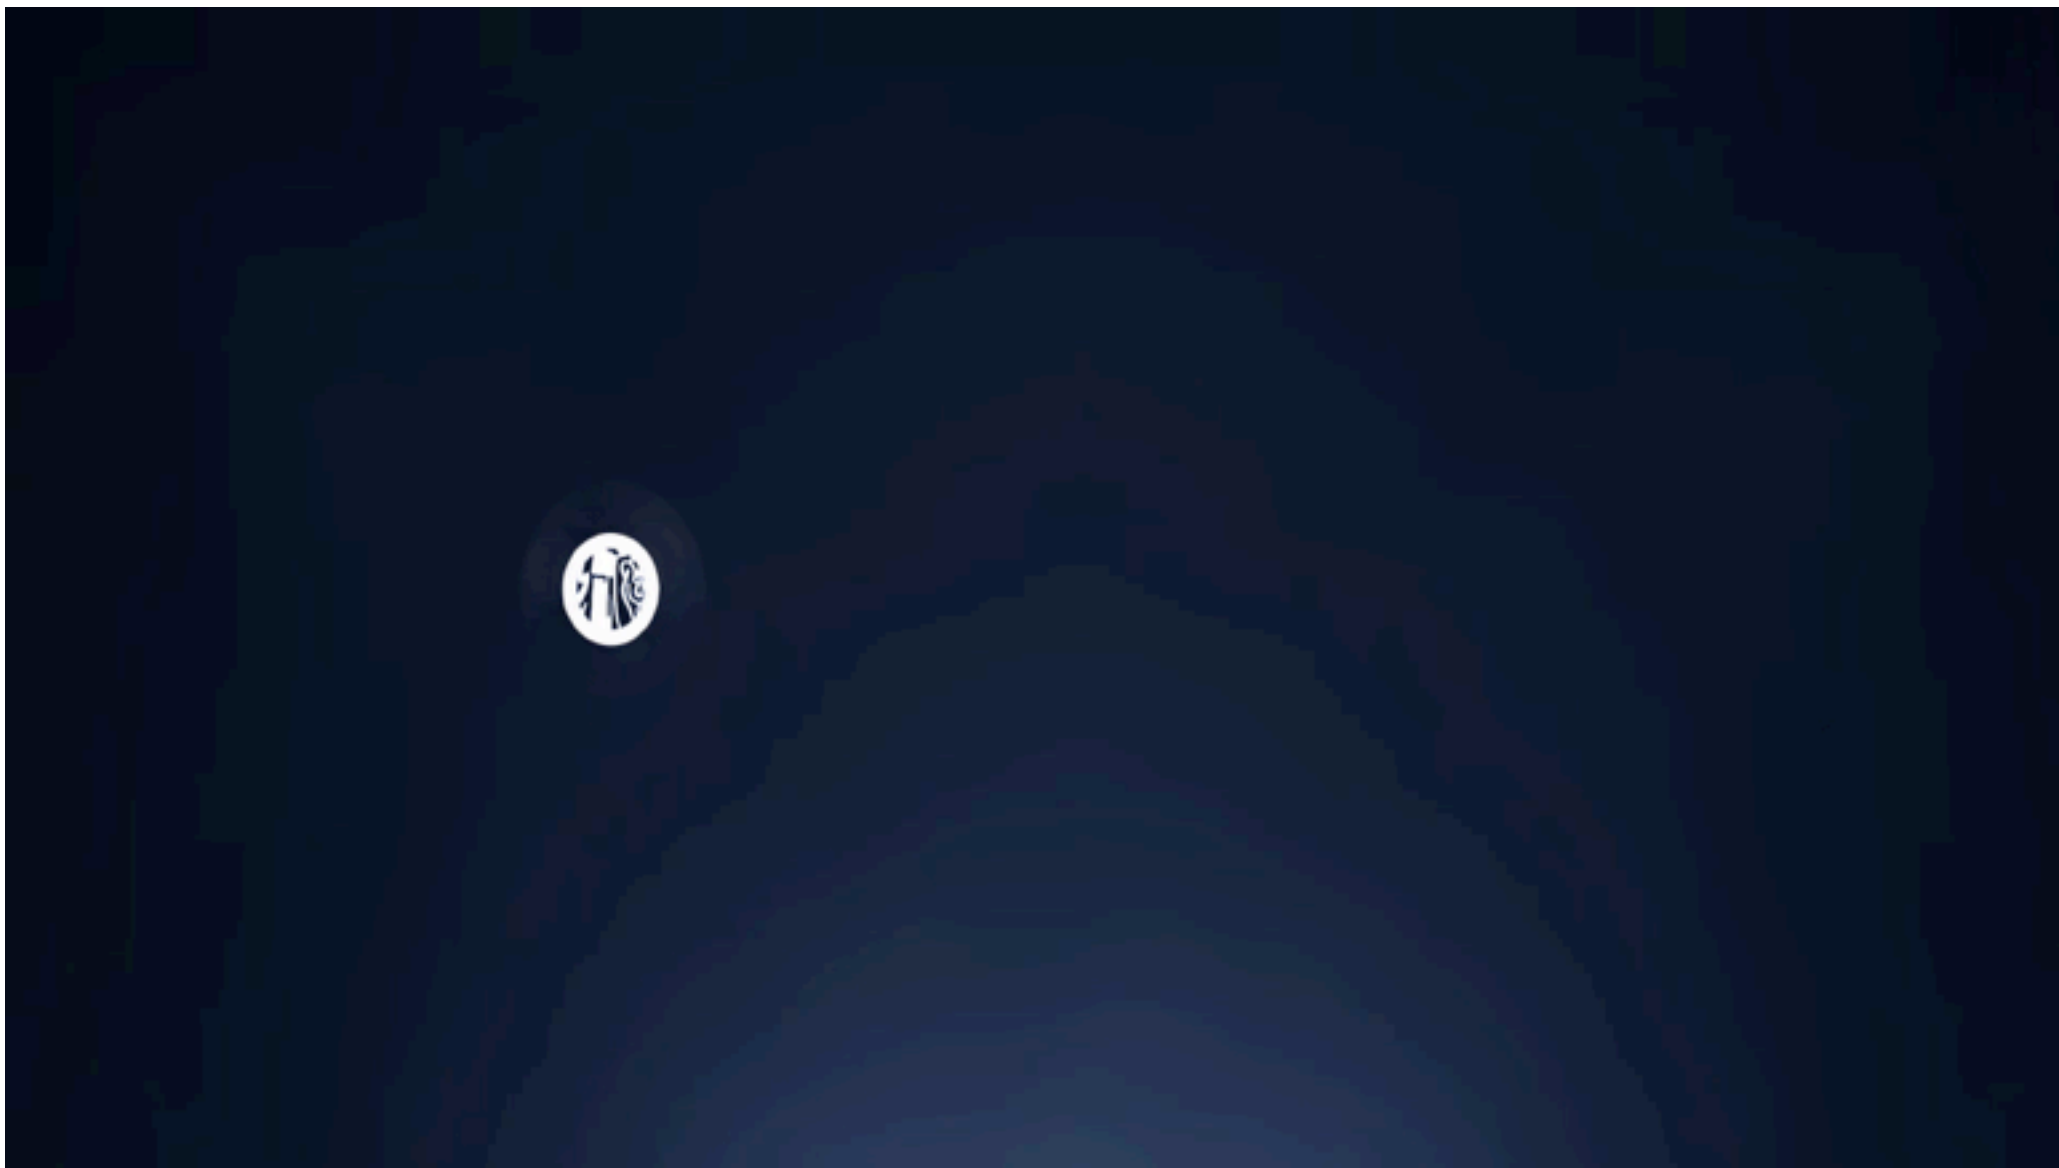

Recording

Research

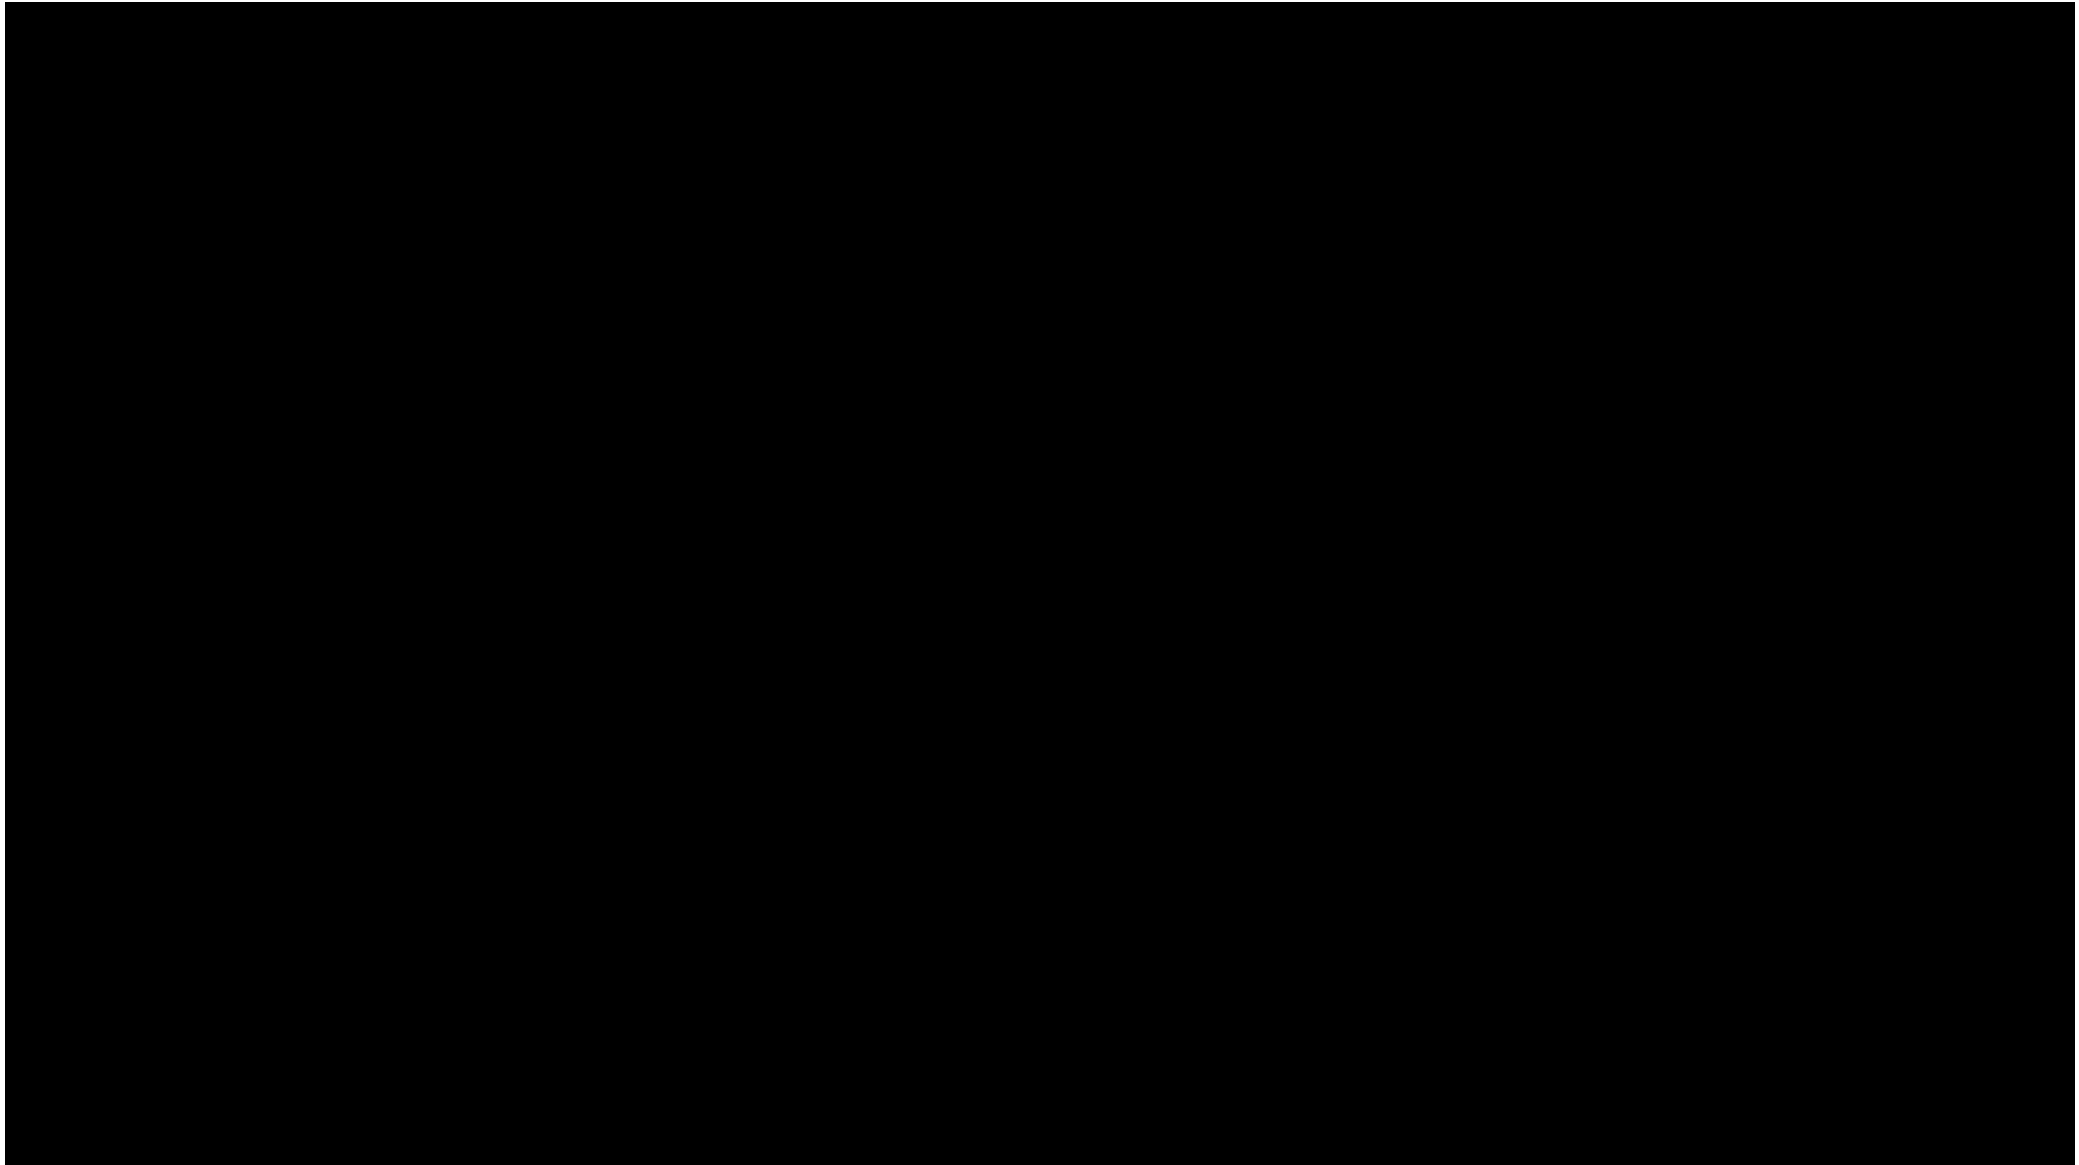

Flexibility

Example

Flexible approach new technologies

New technologies

Our challenge:

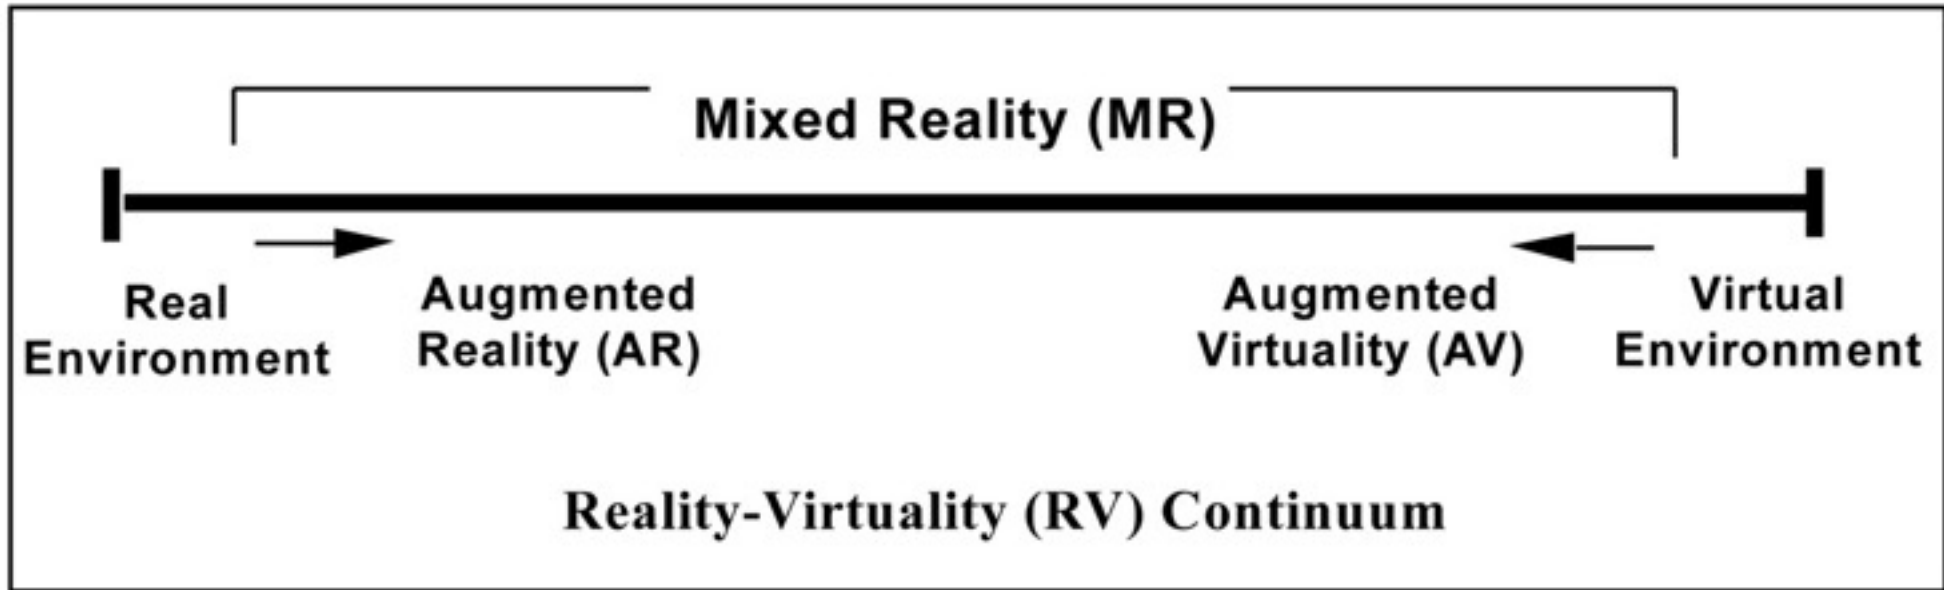

How do we move forward to an evidence based, flexible approach, that allows us to further test and implement, new educational technologies within a rapidly changing technological landscape?

New Media Lab

- 360 Video
- Virtual Reality
- Augmented reality

**CENTRE FOR
INNOVATION**
Leiden University

360 degrees video

Why VR?

- Strengths
- Weaknesses
- More than video?

VR readily accessible

New Media Projects

- MOOC Heritage
- Involve teachers
 - VR Summer school

Future?
